This comprehensive bilingual Somali dictionary includes over 25,000 Word-to-Word dictionary entries, and is perfect for ESL/ELL students to use for standardized testing. Somali is an Afroasiatic language with approximately 15 million speakers worldwide. It is spoken primarily in Somalia, but also in Somaliland, Ethiopia, Djibouti, and Kenya and by a significant Somali-speaking diaspora. Somali is written with the Latin alphabet. The two-way format makes it useful for both English and Amharic speakers. Somali ELL (English-Language Learner) students can look up the meaning of English words they don't recognize, and also translate their thoughts and writing in Amharic to English.

Somali people speak quite a number of languages and dialects, Maay and Mahaa being the lingua franca of the majority. In 1972, the latter was put in a written format and became the national language of the country. This experiment alienated the other Somali languages and produced tremendous disenchantment, particularly on the part of the Maay speakers. In 2003, however, the Somali Peace and Reconciliation Conference at Mbegathi, Kenya, acknowledged that Maay will be another official language of the Somali Republic. This English-Maay Dictionary is the first experiment exploring the roots of Maay language and its relationship to the other Somali dialects as well the Kushitic family of languages in the Horn of Africa. The dictionary provides over 15,000 of the most frequently used words in Maay and their English translations, with numerous examples of their every day usage. The dictionary is a vital addition to reference collections supporting undergraduate and graduate programs on African and Middle Eastern Studies. It is also an essential tool for non-Somali case workers such as those in refugee camps, immigration and naturalization officials or lawyers dealing
