Much NLP training today views Master Practitioner level as simply containing bigger, more complex techniques than Practitioner level, but this is a misconception. Being a Master Practitioner isn't about techniques at all, it's about letting go of techniques altogether and getting to grips with the very foundation of NLP itself - modelling high performers. Modelling is the method behind every NLP technique, and by understand how to extract and replicate the mental processes of high performance, you will transcend everything that you have learned at Practitioner level. The NLP Master Practitioner Manual will show you how to: Break down any NLP technique and adapt it effortlessly to any situation, even in everyday conversation Extract the innate talents of high performers in any field and replicate those talents Learn how to create coaching and training programs that install high performance models in your learners This NLP Master Practitioner manual is the result of 20 years research and application of NLP by one of its most innovative, practical and results oriented trainers and writers. Peter Freeth has pioneered many recognised developments in NLP's approach and techniques that are now used by countless trainers and professionals, worldwide.

This much anticipated volume continues the tradition of Volume I, the Practitioner course manual. The authors now invite you to reach beyond Practitioner to Master level to develop the very spirit of NLP. "... the quintessential self-study course on advanced NLP." Judith E. Pearson PHD

This NLP Practitioner manual is the result of 20 years research and application of NLP by one of its most innovative, practical and results oriented trainers and writers. Peter Freeth has pioneered many recognised developments in NLP's approach and techniques that are now used by countless trainers and professionals, worldwide, including: The flipchart and notepad swishes - loved by trainers, coaches and all professionals for powerful results in any environment The easy way to anchor - succeed every time by discovering how it really works, contrary to what most trainers think Use complex techniques such as the Six Step Reframe and Fast Phobia Cure easily by understanding how to improvise Featuring both the Society of NLP core syllabus and many other popular NLP concepts and techniques, this book will show you how to adapt and apply NLP in any professional environment. There are even chapters on building your professional practice and absorbing NLP into other skill sets, so you really can integrate NLP into your work for the very best results, both for yourself and for your clients. Most importantly of all, this book will help you to understand the underlying structure of NLP's techniques so that you can adapt and use them in the class room, meeting room, board room or even the dining room, all in plain, everyday language.

This practical resource makes three radically different types of hypnosis easy to use in daily hypnotic work, exploring the methods of Milton H. Erickson, George Estabrooks and David Elman. "A gem. Well-written, well-paced and packed with information." Andrew Bradbury, author of Successful Presentation Skills and Develop Your NLP Skills

Imagine how different your life would be if you were free from your baggage, your limitations, and your pain? As a therapist, imagine having an effective tool to help your clients become free of depression, PTSD and anxiety within hours rather than years? In Mental and Emotional Release, Dr. Matt James introduces an incredible therapeutic processMER proven to be effective in treating everything from bedwetting to bulimia, PTSD to migraines within hours, not years. This is the type of result we all want for all of our patients. But frankly, before I started introducing MER to my patients, I rarely saw it and definitely didnt see it happening as quickly as this. Dr. Larry Momaya, psychiatrist Written in a language both professionals and non-professionals can understand, Mental and Emotional Release offers real life case studies, an overview of MER and its foundation, step by step scripts to follow, and clinical efficacy studies comparing MER to other therapies. Its straight-forward and targeted. Patients dont have to re-live any traumas from the past to resolve them, and they dont have to go into deep hypnotic trance. For 80-85% of my patients, MER gives tremendous relief from their symptoms in the very first session. Dr. Patrick Scott, psychologist

Hall and Bodenhamer follow the success of Volume I with a book that introduces the new advances in the field of Neuro-Linguistic Programming (NLP) and put together comprehensive information for attaining the Master's level.

Neuro-Linguistic Programming (NLP) studies brilliance and quality-how outstanding individuals and organizations get their outstanding results. Joseph O'Conner, a leading international NLP trainer and co-author of the bestselling Introducing NLP, offers a step-by-step guide to learning the NLP methods and techniques to help you become the person you want to be in the NLP Workbook. The NLP Workbook is a complete guide to NLP that includes: How to create and achieve outcomes How to choose your emotional state and shift thinking Meta modeling your own internal dialogue All of the basic NLP techniques and training exercises An Action Plan with exercises and suggestions for skill-building O'Conner discusses a range of topics from rapport and trust, and how to visualize, to negotiation skills, mental rehearsal and coaching. NLP Workbook is a book for everyone and anyone interested in NLP. The neophyte will find definitions, examples, and a step-by-step entry into learning how to use NLP, and trainers will discover many new ideas for NLP training.

Curious about what happens at a genuine International NLP Certification, wanting to compare your own manual to ours, or just fascinated by the whole field of NLP. NLP is not a secret society. Come on in and check it out. This is a manual and not a reference book. If what you are seeking is a reference on NLP, you are better to buy some of our other books such as "Outframes" (co-written by Richard Bolstad and Julia Kurusheva). This is the manual for our 18 day International NLP Practitioner Certification course, approved by IANLP and IN, and run in Europe, Asia and Australasia. None of these techniques should be used without skilled teaching at such a training. Dr Richard Bolstad is a trainer with the International Association of NLP, the International Association of NLP Institutes, and five other International training organisations. He teaches each year in Asia, Europe, the Middle East and New Zealand. Richard's doctoral project was based on the work that he did training psychiatrists and social workers in Bosnia-Herzegovina to deal with the psychological trauma of the Balkan wars. He has a New Zealand Diploma of Teaching and two decades of experience teaching in the tertiary field in New Zealand.
