her husband and young daughter. But in the midst of crushing despair, she discovered a presence that responded to her fearful cries with great tenderness and wisdom. In this captivating work, D'Arcy recounts the way night slowly became day again--and the perspective shift that allowed her to find meaning in life again. If you've experienced great loss, or if you're feeling lost in the darkness yourself, *Stars at Night* can offer reassurance that pain does not have the final say.

Explore's the meaning of being a man today and addresses fathers and sons, mothers and sons, addiction and recovery, grief, work and workaholism,

platform, Electron lets you use JavaScript and Node to create simple, snappy desktop apps. Spinning up tools, games, and utilities with Electron is fast, practical, and fun! About the Book Electron in Action teaches you to build cross-platform applications using JavaScript, Node, and the Electron framework. You'll learn how to think like a desktop developer as you build a text tool that reads and renders Markdown. You'll add OS-specific features like the file system, menus, and clipboards, and use Chromium's tools to distribute the finished product. You'll even round off your learning with data storage, performance optimization, and testing. What's inside Building for macOS, Windows, and Linux Native operating system
